# MISSION: ADVENTURE!

**Thank you to all units that have participated in the Fall Round-up! Your recruitment efforts have helped the Council achieve membership growth over 2016 at the end of September!** We still have our work cut out for us to make growth for the end of 2017. You can all do your part by making follow up calls, have your Scouts invite their friends to meetings, and be sure to update your 'BeAScout' pin and online registration status, which can be updated by your unit leader online at [www.my.scouting.org](http://www.my.scouting.org)

**If your unit has not hosted a joining Scouts night or if you need help setting up your 'BeAScout' pin and online registration, please contact your District Executive.**
